# KINYON ORIGINATIONS

## 1933

### MAJOR GLADWIN

Dark scarlet red with a velvety tint of orange over the entire bloom, Blend of deeper red on lower petals. Five or six large wide open blooms on a straight spike.

If you were at Battle Creek last summer you may remember the basket of red gladiolus No. 621 which we had in our exhibit.

Bulbs one inch or over-----\$1.00

### JULIA SELTZ

1933

Light pink with markings of violet. The cut will describe this variety better than I can even if it is only from a snap shot. It has never been shown or grown out side our own gardens and to make sure each one who grows our Glads can have this beautiful new variety we will send one free with each cash order amounting to \$3.00 or over selected from our retail list.

JULIA SELTZ

We plan that our garden may be more beautiful than ever this year and want to tell you how much we enjoyed showing our flowers to our friends who came last year and we missed some who we expected to see. Hope you can come this year. Where could one spend a more delightful vacation than in Northern Michigan. Just to make sure that you can find us. I will give directions from Bay City "Where the Summer Trails Begin." North on U. S. 23 to Standish "Where the Summer Trails Divide". From there turn west on M. 61 which leads past our place and on to Gladwin. Watch for our sign 16 miles west of Standish and 10½ miles east from Gladwin.

We will be glad to see you.

MR. AND MRS. GEORGE KINYON.

To make sure that each one may understand about different sizes

No. 1	No. 2	No. 3	No. 4	No. 5	No. 6

In sizes No. 1 and No. 2 you may buy 3 bulbs at the 10 rate, other sizes 5 at 10 rate. All sizes 25 at the 100 rate.

On cash orders of \$5.00 to \$10.00 you may select 10% extra in bulbs. From \$10.00 to \$25.00 select 15% extra. This is in addition to one bulb of the lovely new gladiolus "Julia Seltz."

At these prices all bulbs are prepaid anywhere in U. S.

Our stock has been State Inspected and no thrips have been found within many miles of our gardens. We will not buy for resale. Try and send your order early as our stock of some varieties is small.
